

X2 Transponder MX – the more you know the faster you go. The X2 Transponder for MX will guide you to faster laps, as it offers insights into you performance. You can see, analyze and share your training and race results through your personal MYLAPS account. With the additional Direct Power upgrade you can connect your transponder to your bike’s battery.

The X2 Racer pack includes an X2 Transponder as well as an X2 RaceKey and everything you need to get it to work.

- Warranty and insurance included
- Unbeaten accuracy and reliability
- Flexible subscriptions are available
